Application Name: Legislative Document Access

Business Model: Time & Materials

Estimated Deployment Date: December 3, 2019

SCOPE OF WORK AND DELIVERABLES

Scope:

Phase I: Create a system that allows OCC employees to enter a unique link to legislative documents and to enter metadata associated with the documents, such as unique identifiers, keywords and descriptive text. Documents can be linked to one another and additions and changes to metadata can be made at any time to create new relationships among documents. System will include a front end interface for users to search documents and view search results and storage of approximately 6,000 legislative documents annually.

The System will have the following:

- Public Facing Web Component, composed of a search input screen and search results screen, called a Measure Status Sheet
- Four Administrative Input Forms:
 - Measure Data Entry Form
 - Communications Data Entry Form
 - Agenda/Minutes Data Entry Form
 - Measure Action Data Entry Form
- Storage of Legislative Documents

Delivery:

The COUNTY shall have fifteen (15) working days to review each deliverable and to either notify HIC of acceptance, or to provide HIC a detailed list of deficiencies that must be remedied prior to payment being made. In the event the COUNTY notifies HIC of material, non-compliance with

the functional specifications, HIC shall correct the same within fifteen (15) working days, unless the COUNTY consents in writing to a longer period of time.
