

# Project Summary

## Department of Commerce and Consumer Affairs –

## Business Registration Division (BREG)

**Project Name:** TRANSITION SUPPORT

**Business Model:** Fixed Rate

---

### Project Overview

**Problem** –BREG is in the process of transitioning their business registration solution to a new vendor. As a result of this transition, the existing BREG online services provided by Tyler HI will be terminated. The launch date for the new solution is December 2023.

**Solution** – This SOW covers the general agreement that would allow Tyler HI to provide ad-hoc support necessary for the transition of Tyler HI services to the new platform.

**Additional Benefits** – Depending upon BREG’s needs, they may or may not choose to request services under the SOW. In the event no services are requested, there will be no charge to BREG.
